

DESIGN

ZARGES

- rack mount 19" mobile cases
- shipping & storage transit cases
- UN hazmat | mil-spec
- Li-ion battery safe shipping cases

- RF and Hybrid PTFE/FR4 PC boards
- antenna | microwave custom
- 24-Hour to 20 day turnarounds
- board design | test | services

- solid state high power amplifiers
- networked | remote maintenance
- CW | pulsed | multi-mode
- 10.0kHz to 6.0GHz +

- custom battery packs
- battery chargers | docking stations
- ISO 13485:2016 certified
- FDA registered medical facility

MILITARY | INDUSTRIAL | COMMERCIAL | SPACE MANUFACTURING SERVICES

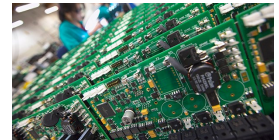

- precision sheet metal fabrication
- CNC machining | deburring | laser cutting
- class A, B & C welding (NADCAP)
- assembly | kitting | finishing
- painting | silk screening | hardware installation

- 13 Axis CNC Turn Mill Centers
- 7 Axis CNC Screw Machines
- titanium | Inconel | stainless steel
- aluminum | brass | plastic

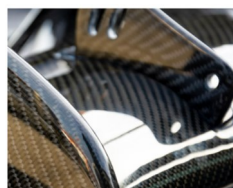

- CCA | circuit assembly services
- cable assembly | box build
- product prototyping | NPI
- test development
- ISO 13485:2016

- aluminum | zinc die casting
- miniature, small & medium sized
- painting | plating | assembly | FFL
- in-house die design, engineering & CAD

- fiber reinforced composites
- metallics | processing | coating
- assemblies | bonded | fastened
- truss | sandwich | deployables

- circuit card assemblies
- cable harnesses for flight / launch
- Certified for manned space flight
- spacecraft components; build-to-print
