

DESIGN

ZARGES

- rack mount 19" mobile cases
- shipping & storage transit cases
- UN hazmat | mil-spec
- Li-ion battery safe shipping cases

KÖR TECHNIK

- VRS protection system
- infinite reuseability
- superior vibration reduction and impact protection.
- adapts to any size, weight, and shaped cargo

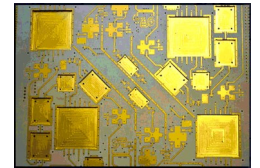

Signal Antenna Systems, Inc.

- 10MHz to 40GHz | custom
- omni | horn | blades | whip
- log periodic | telemetry
- flat panel | accessories

- RF and Hybrid PTFE/FR4 PC boards
- antenna | microwave custom
- 24-Hour to 20 day turnarounds
- board design | test | services

MILITARY | INDUSTRIAL | COMMERCIAL MANUFACTURING SERVICES

EXODUS AEROSPACE

- fiber reinforced composite assys.
- metallics | processing | coating
- assemblies | bonded | fastened
- truss | sandwich | deployables
- AS9100 | ISO-9001 | SMOB certified

RICAURTE PRECISION

A QUALITY CNC EXPERIENCE

- CNC lathing | milling | EDM | SWISS
- finishing and assembly services
- AS-9100 | ISO-9001 | ITAR
- short | long run | lights out
- mil spec | medical specialists

XLRB EMS

- CCA | SMT services
- cable assembly | box build
- J-STD-001 | IPC 610 | ITAR
- ISO 13485:2016 | ISO-9001 | AS-9100

- aluminum | zinc die casting
- miniature, small & medium sized
- painting | plating | assembly | FFL
- in-house die design, engineering & CAD

ambrit ENGINEERING

- injection molding | mold flow simulation
- 33– 500 ton presses | Class 8 cleanroom
- overmolding | insert | in-mold decoration
- ISO-9001 | ISO-13485 | process validation
- printing | finishing | assembly services

LEDA CORPORATION

- CCA contract manufacturing
- cable harnesses for flight / launch
- Certified for manned space flight
- AS9100 | J-STD-001 SA | NASA-STD -8739
- ITAR registered | SDMWOB certified
